

CITB Weblinks

CITB is changing the way it supports training, introducing a new way to source providers through a **Training Directory**, standardise and assure programmes, record training with a new **Construction Training Register** and introducing automated grant payments:

<https://www.citb.co.uk/training-and-courses/become-an-ato/why-citb-standardising-training/>

What courses are currently available:

<https://www.citb.co.uk/qualifications-standards/training-standards/short-courses-standards/>

Training Standard example:

https://www.citb.co.uk/documents/training_standards_approved/ssasb_aware_asbestos_awareness.pdf

How a company (for in-co courses) or a commercial training provider become an **Approved Training Organisation**:

<https://www.citb.co.uk/training-and-courses/become-an-ato/how-to-become-ato/>

More information on the approval process and requirements:

https://www.citb.co.uk/documents/training-directory/citb_ato_requirements_20171120.pdf

Dates (20 & 22 Feb) and booking on a "Becoming an ATO webinar":
